

# EMS Physical Science Homework Policy

Student Name \_\_\_\_\_ Date \_\_\_\_\_

Assignment \_\_\_\_\_ Homeroom \_\_\_\_\_

Today your child received a homework slip and an *OOPS!* for the following reason:

- \_\_\_\_\_ Assignment was NOT handed in today when due
- \_\_\_\_\_ Assignment was partially completed
- \_\_\_\_\_ Assignment was not made up from when absent

What is an *OOPS!*? You are allowed to use 3 *OOPS!* per grading period for daily homework assignments and still earn an "E". Grading scale is as follows:

No *OOPS!* used =

"E" Outstanding Work!

1 *OOPS!* used = "E" Amazing!

2 *OOPS!* used = "E" Fantastic!

3 *OOPS!* used = "E" Wonderful!

4 Missed = "C" Remarkable

5 Missed = "C" Commendable

6 Missed = "S" Good Effort

7 Missed = "S" Good Effort

8 or more missed = NI

Homework assignments are used to reinforce concepts taught in class, and to help teach responsibility. Homework is graded under "Commitment to Task" on the progress report.

Students are not allowed to turn in late homework because we go over the answers in class on the date it is due.

Long Term Projects will lose credit for each science day it is late. No *OOPS!* are used. Two grades will be noted: Quality of work grade and Late grade. Not turned in at all = NI

All homework slips are to be signed and returned, I will keep all slips on file. If not signed and returned, the student will miss recess for each day and I will call home.
