

# Science Current Events Schedule

## Requirements:

- Place this handout at the front of the “**Current Events**” section of your binder.
- Write ups are due approximately every 2 weeks. Due dates will be posted.
- Read the news often to find a science article related to the current topic.
- Articles must be current–up to 2 months old.
- You do not have to attach the news article to your write up.
- You may use magazines, newspapers or the links posted in the news section of our web page: [www.middleschoolscience.com/news.htm](http://www.middleschoolscience.com/news.htm)

No.	Science Topics	Due Date	Grade
1	Your choice		
2	Your choice		
3	Scientists, Researchers, Inventions		
4	Weather, Atmosphere		
5	New Technology		
6	Space, Stars, Planets, Research		
7	Animals, Food, Research		
8	Health, Disease, Medicine, Research		
9	Chemistry, Chemicals, Medicine, Pesticides, Everyday use, etc...		
10	Paleontology, Fossils		
11	Rocks, Minerals, Gems, Volcanoes, Earthquakes, etc...		
12	Archeology – any area		
13	Marine Science, Ocean Life		
14	Computers, Internet, Games, etc...		
15	Plants, Food, Medicine
