

# Welcome to 6<sup>th</sup> Grade Science!

I hope you are enjoying your summer vacation. Soon it will be time to come back to school. We have an exciting year ahead of us!

As a 4<sup>th</sup> and 5<sup>th</sup> grader, you explored the living world of science, as a 6<sup>th</sup> grader, you will explore the non-living world of science. We will begin by learning Science Skills, the Metric System, Astronomy, Weather, and Chemistry. By June, you will be more than ready for the challenges of 7<sup>th</sup> grade science.

## What supplies do I need for science class each day?

- 1) **1 ½ or 2 inch** - 3 ring binder dedicated to science class only
- 2) **½ inch** – 3 ring binder (really skinny) for your lab notebook, this stays in the science classroom at all times
- 3) Two - **2-pocket folders** with holes to fit inside a 3-ring binder
  - ◆ One folder is for homework only
  - ◆ One folder is for other handouts
- 4) Binder Section Dividers:
  - ◆ 25-50 sheets of white lined paper with holes
  - ◆ Current Notes and Handouts
  - ◆ Weather Section
  - ◆ Vocabulary Word Bank
  - ◆ Article Analysis
  - ◆ Challenges
- 5) Pencil case pouch in binder
  - ◆ A dozen #2 pencils
  - ◆ to store daily trivia slips & golden tickets

## The science web page:

I have created a web page just for our science class. You can check your homework, print out a handout, visit science links, or send me an email. The web page address is:

**<http://www.middleschoolscience.com>**  
**email: [mrslarosa@middleschoolscience.com](mailto:mrslarosa@middleschoolscience.com)**

I look forward to meeting you! Enjoy the rest of the summer!

Sincerely,

Mrs. La Rosa
